## **Research Assessment; Researcher Autonomy, pp. 183–216, by Ian McNay**

The Publisher regrets that there are a number of typographical and spelling errors in this chapter. These were introduced during the editing and typesetting processes and did not appear in the author's original copy.

The Publisher apologises to the author and to readers that they were not amended in response to the proof corrections supplied by the author.

Among other errors, three words in particular should be corrected to make proper sense as intended:

p.186, line 21, 'technician' should read 'technicist'

p.194, line 31, 'pouring' should read 'poring'

p.196, line 17, 'trialled' should read 'trailed'.

**A corrected version of this chapter has been supplied, which is enclosed.**
