CONTENTS

Chapter 1	Introduction	1
Chapter 2	Basic Theory and Policies	3
2.1	Theory of funding	3
2.1.1	The theory of welfare economics	3
2.1.2	Fundamental theoretical issues	7
2.1.3	Characteristics of main funding sources	8
2.2	Financial resources	9
2.2.1	Transportation authorities	9
2.2.2	Financial resources	10
2.3	Basic funding systems	13
2.3.1	Automobile users' taxes	13
2.3.2	Toll road systems	15
2.3.3	Public transportation subsidies	16
2.3.4	Airport improvement systems	18
2.4	Indirect funding systems	20
2.4.1	Automobile users' taxes and public transportation	20
2.4.2	“Versement de Transport” (France)	22
2.4.3	Return of development profits	22
2.4.4	B.O.T.	23
Chapter 3	Transportation Policies and Financial Systems	25
3.1	Introduction	25
3.2	Transportation improvement systems and financial resources in Germany	25
3.2.1	Transportation investment policies	25
3.2.2	Roadways	27
3.2.3	Railways	29
3.2.4	Airports	31

3.3	Transportation improvement systems and financial resources in France	32
3.3.1	Transportation investment policies	32
3.3.2	Roadways	35
3.3.3	Railways	37
3.3.4	Airports	39
3.4	Transportation improvement systems and financial resources in the United Kingdom	40
3.4.1	Transportation investment policies	40
3.4.2	Roadways	42
3.4.3	Railways	43
3.4.4	Airports	44
3.5	Transportation investment policies in the EC (EU)	46
3.6	Transportation improvement systems and financial resources in the United States	47
3.6.1	Transportation investment policies	47
3.6.2	Roadways	49
3.6.3	Railways	51
3.6.4	Airports	52
3.7	Transportation improvement systems and financial resources in Japan	55
3.7.1	Transportation investment policies	55
3.7.2	Roadways	57
3.7.3	Railways	59
3.7.4	Airports	61
Chapter 4 A Methodology for Comparing Financial Resources		65
4.1	Problems in international comparison of financial resources	65
4.1.1	Statistical Problems	65
4.1.2	Methodological Problems	66
4.2	The basic concept of contributor classification	67
4.2.1	Classification of financial resources for improvement	67
4.2.2	Classification of contributors to debt	67

4.3	Determination of contributors to financial resources	69
4.3.1	Classification of financial resources in Germany	71
4.3.2	Classification of financial resources in France	71
4.3.3	Classification of financial resources in the United Kingdom	73
4.3.4	Classification of financial resources in the United States	74
4.3.5	Classification of financial resources in Japan	77
Chapter 5 The Calculation of Investment Amount		81
5.1	Method of calculation	81
5.2	Roadways	81
5.2.1	Roadway investment in Germany	81
5.2.2	Roadway investment in France	84
5.2.3	Roadway investment in the United Kingdom	85
5.2.4	Roadway investment in the United States	85
5.2.5	Roadway investment in Japan	86
5.3	Railways	88
5.3.1	Railway investment in Germany	91
5.3.2	Railway investment in France	92
5.3.3	Railway investment in the United Kingdom	93
5.3.4	Railway investment in the United States	94
5.3.5	Railway investment in Japan	95
5.4	Airports	97
5.4.1	Airport investment in Germany	98
5.4.2	Airport investment in France	98
5.4.3	Airport investment in the United Kingdom	99
5.4.4	Airport investment in the United States	99
5.4.5	Airport investment in Japan	99
Chapter 6 The Calculation of Contributors' Shares		105
6.1	Methods of calculation	105
6.2	Roadways	106
6.2.1	Germany	106
6.2.2	France	107
6.2.3	United Kingdom	109
6.2.4	United States	109
6.2.5	Japan	110

6.3	Railways	112
6.3.1	Germany	112
6.3.2	France	112
6.3.3	United Kingdom	114
6.3.4	United States	114
6.3.5	Japan	115
6.4	Airports	115
6.4.1	Germany	116
6.4.2	France	116
6.4.3	United Kingdom	116
6.4.4	United States	116
6.4.5	Japan	118
Chapter 7 Comparative Considerations		123
7.1	Comparison of investment amounts	123
7.1.1	Total investment	123
7.1.2	Composition of financial resource	127
7.2	Shares of contributors	132
7.3	Consideration by comparative graphs	137
7.4	Contributors' shares of the total burden	137
Chapter 8 Prospects		153
	Epilogue	155
	Summary of Investment Amounts and Compositions	156
	Summary of Contributors' Shares	164
	Appendix 1: Statistical Data List	170
	Appendix 2: Investment Amounts	173
	Appendix 3: Contributors' Shares	177
	Appendix 4: Items Included in Investment Amounts	180
	Appendix 5: Burden Ratios	181
	Bibliography	183
