
Retraction notice: Organizational performance and capabilities to analyze big data: do the ambidexterity and business value of big data analytics matter?

The publishers of the *Business Process Management Journal* wish to retract the article Aljumah, A.I., Nuseir, M.T. and Alam, M.M. (2021), “Organizational performance and capabilities to analyze big data: do the ambidexterity and business value of big data analytics matter?”, *Business Process Management Journal*, Vol. 27 No. 4, pp. 1088–1107. <https://doi.org/10.1108/BPMJ-07-2020-0335>.

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald’s publishing ethics and the COPE guidelines on retractions. The authors of this paper would like to note that they do not agree with the content of this notice. The publishers of the journal sincerely apologize to the readers.
