Retraction notice: Indoor and outdoor image classification: a mixture of brightness, straight line, Euclidean shapes and recursive shapes based approach

The publishers of the *International Journal of Intelligent Unmanned Systems* wish to retract the article Velswamy, R., Devadass, S.C., Velswamy, K. and Venugopal, J. (2019), "Indoor and outdoor image classification: A mixture of brightness, straight line, Euclidean shapes and recursive shapes based approach", *International Journal of Intelligent Unmanned Systems*, Vol. 7 No. 4, pp. 150–161. https://doi.org/10.1108/IJIUS-04-2019-0024.

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald's publishing ethics and the COPE guidelines on retractions. The authors of this article would like to note that they do not agree with the content of this notice. The publishers of the journal sincerely apologize to the readers.
