AIMS AND SUBMISSION GUIDELINES

Advances in Hospitality and Leisure (AHL), a double-blind peer review journal published annually since 2004, attempts to promote seminal and innovative research outputs pertaining to hospitality, leisure, tourism, and lifestyle. Specifically, this journal encourages researchers to investigate new research issues and problems that are critical but have been largely ignored while providing a forum that will disseminate singular thoughts advancing empirical undertakings both theoretically and methodologically.

This fourteenth annual volume includes eight full papers and three research notes. As for data collection, most articles deploy either a quantitative or qualitative approach while two present conceptual models. The contributors to the present issue come from ten nations/regions entailing Australia, China, Denmark, Germany, Ghana, Netherlands, South Africa, South Korea, Taiwan, and the United States of America.

For submission to future issues, please review the following guidelines.

Originality of Manuscript: The manuscript should represent an original work that has never been published elsewhere nor is being considering for publication elsewhere.

Style and Length of Manuscript: 12 pt Times Roman font; double spacing; APA; 7,000 words (Full Paper) or 4,000 words (Research Note).

Layout of Manuscript: First page: title of paper and author contact information; second page: title of paper, an abstract of 120–140 words, and keywords; third page and beyond: main text, appendix, references, figures, and tables.

Text of Manuscript: For literature review articles, please include introduction, critical literature review, problems in past research, and suggestions for future research. For empirical research papers, please include introduction, methods, findings and discussions, and conclusion.
