# Retraction notice

The Learning  
Organization

The publisher of *The Learning Organization* wishes to retract the article: Abiwu, L. and Martins, I. (2023), “Talent development practices and processes in learning organisations: evidence from South African higher education institutions”, *The Learning Organization*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/TLO-12-2022-0164>.

It has come to our attention that the article contains a miscalculation of the data and therefore the findings cannot be relied upon.

The author guidelines of *The Learning Organization* make it clear that submitted articles must include results free from errors that may affect the understanding of the article.

The publisher of the journal sincerely apologizes to the readers.
